

**DEXIS**

**WE ENHANCE  
YOUR ASSET PERFORMANCE**

**360°**

## Play a central role in the industry 4.0 revolution

All sectors of industry are experiencing a major revolution as smart machines continue to gain traction. The combination of sensors, automated systems, cloud, data analytics and smart algorithms are tearing up the rule book on industrial models.

DEXIS stays one step ahead of all the technological developments sweeping the industry in order to anticipate changes to increasingly interactive and intelligent industrial facilities, while detecting disruptive innovations and delivering products and services that are capable of accelerating asset performance and improving the productivity and predictivity of industrial maintenance.

Present in  
**12 European countries**

**4,000 experts**  
at your side

**100,000 references**  
available for next-day delivery

As an expert in every branch of industry, we help our customers grow and perform to the highest standard thanks to an end-to-end range of industrial maintenance solutions, including mechatronics, machining and personal protective equipment.

Our customers benefit from the sheer power of a specialist European partner driven by five key commitments:

COMMITMENTS

**Physical  
and geographic proximity**

**Competitive  
and extensive ranges**

**Product  
availability**

**Sector-specific  
expertise**

**High-performance  
solutions**

COMPETITIVENESS ♦ PROXIMITY ♦ AVAILABILITY ♦ SOLUTIONS ♦ EXTENSIVE RANGES ♦ LEADERSHIP ♦ EUROPEAN PRODUCT RANGE ♦ ENVIRONMENT ♦ SECURITY ♦

**TWO PRIVATE LABELS**  
offering superior quality and totally geared  
towards our customers' applications

### 4MP

FOR MOTION & PERFORMANCE

**A private label focussing  
on technical products  
for industrial maintenance**

4MP, the new gold standard brand for all sectors of industry, combines technological expertise and superior quality.

These products are designed to improve performance, increase process reliability and rein in costs.

**4MP** is a brand distributed exclusively by DEXIS,  
the European partner to all sectors of industry

### OPSIAL®

**A private label for personal protective  
equipment specifically for industry**

### Quality:

one of its key commitments with high-performance,  
reliable and competitive products

### Over 90%

of our customers are happy with Opsial's  
extensive ranges and product quality

### COMMITMENT 3

## SECTOR-SPECIFIC EXPERTISE

**We offer innovative solutions  
to support our customers' growth**

As part of our collaborative innovation strategy, DEXIS anticipates where industry's needs are heading, identifies major changes in technology and selects trusted partners to meet its customers' challenges.

**We offer a range  
of bespoke services  
to ramp up  
your performance**

#### LOGISTICS SERVICES

- ◆ Inventory management
- ◆ Transport & delivery solutions
- ◆ Supply chain optimisation

#### PPE SERVICES

- ◆ Personalised clothing
- ◆ Prescription eyewear
- ◆ Maintenance of Category III PPE

#### TECHNICAL SERVICES

- ◆ After-sales
- ◆ Predictive maintenance
- ◆ Improvement plans

#### FINANCING SERVICES

- ◆ Automated invoicing
- ◆ Paperless processes
- ◆ Data intelligence

**GLOBAL  
SAFETY**

**WE ENSURE  
PROFESSIONALS' SAFETY**

**WE TAKE ACTION TO PROTECT  
PROFESSIONALS' HEALTH**

**WE PROTECT PEOPLE  
AND THEIR ENVIRONMENT**

#### COMMITMENT 4

## AVAILABILITY

**We ensure the fastest availability of the broadest range on the market**

Our geographical coverage means that we can deploy our solutions close to your production sites.

**100,000 references**  
available  
for next-day delivery
